Dear Parents & Carers,

Enterprise Day, Thursday 15th July 2021

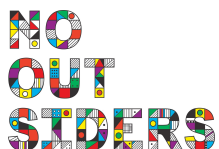

Our Year 6s are currently working on a very exciting project called **Make £5 Grow** which aims to encourage the next generation of entrepreneurs.

Each child has been given £5, and they have teamed up with their friends to plan and set up market stalls. They will be selling their products during a whole school Enterprise Day when children from each class will be given some time to come and visit the stalls. They will be able to buy sweets, cakes, slime and other treats, as well as having the chance to have a go at penalty shootouts and other fun activities.

It would be great if you could provide your child with some money to spend (anything between £1 and £3) at the stalls on Enterprise Day which will be on **Thursday 15th July**. This will be exchanged for tokens which they can spend at the stalls.

The profit made from the day will be used to buy school equipment. I hope you will support this great event and help to make this a memorable day for our Year 6s.

Kind regards,
Mr Babington

Innovation and
Learning Partnership
