Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers

- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Under the [Ofsted Schools Inspection Framework](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment.

We recommend regularly updating the table and publishing it on your website as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<p>Excellent participation levels in extra-curricular clubs</p> <p>Entry into a wide range of inter-school sports competitions</p> <p>Several major successes in competitive sport</p> <p>Good use of Year 6 mentors and sports captains to encourage physical activity at playtimes.</p>	<p>Need to target less active and obese children more effectively – promotion of healthy eating rather than just sport.</p> <p>Encourage parents to lead by example, ensuring children are living healthy lifestyles outside school.</p>

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p>	<p>96%</p>
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p>	<p>80%</p>
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	<p>N/A</p>
<p>Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	<p>No</p>

*Schools may wish to provide this information in April, just before the publication deadline.

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the

Academic Year: 2017/18	Total fund allocated: £7,500	Date Updated: 26.03.18		
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation: 40%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Increase provision of equipment and activities for use during playtimes.	Outdoor gym equipment to be purchased for use during PE sessions, at athletics club and during playtimes.	£7,000	Equipment installed. Children use equipment on a rota system at breaktimes and during Golden Mile sessions. Clear evidence of less active children using equipment. Equipment was only installed in February – long-term benefits yet to be seen but Y6 Sports Crew will run sessions with less active children on the equipment with a view to helping them improve their fitness in an enjoyable, non-competitive way.	Equipment should last up to 25 years if looked after correctly. Next year's sports funding could be used to add to the range of gym equipment.
	Daily use of Golden Mile track by most children – aim for six laps	£300	Golden Mile track is still well used. No current cost, but it may be beneficial to sign up to a Daily Mile scheme to make the scheme more official – or possibly create a scheme within school, such as	

	Use of 5-a-Day website to get children active during lessons.	Funded as part of VRSSP membership.	Run to Kenya, with children trying to run the equivalent of the distance from Wincham to Kenya between them.	
	More equipment provided to improve children's balance and co-ordination. Year 6 mentors have helped younger children use equipment such as balance boards during playtimes.	£300		
Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement				Percentage of total allocation:
				3%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Greater celebration and publicising of sporting success and achievement throughout the school.	Purchase of trophies / certificate / medals for sporting success.	£100	Children will gain a sense of pride and achievement and be inspired to continue in that particular sport.	
Sports Week	Coaches to be booked to work with classes during Sports Week in summer term – sport to be decided.	£500	Participating children will get to try out a new sport and potentially discover a new talent.	
Sporting celebrity visits				

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total allocation:
				0% (but linked to VRSSP membership, included below)
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
90% of class teachers have benefited from PE mentoring, funded through the VRSSP. This has helped to increase their confidence and knowledge when teaching PE.	PE specialist visiting school to work with individual teachers. Midday assistant(s) to be given training to lead games at lunchtimes.	VRSSP membership: see below.	Pupils already have one hour of PE coaching from specialist PE coaches (multiflex). They now also get more confident teaching from their class teachers, who have benefited from mentoring and feedback.	Teachers will be selected for mentoring sessions on a term by term basis. New teachers will be made a priority; teachers who have already been through the mentoring scheme will have refresher sessions when required. TAs could potentially be trained up and given ideas about how to support individuals with special educational needs.
Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				Percentage of total allocation:
				1%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
There has been an extremely wide range of clubs on offer at school this year. They have included: football (boys and girls), athletics, netball, dodgeball, multiflex (incorporating street dance, gymnastics, fitness, tennis and basketball) and lacrosse.	Equipment costs (see KI5 below) Donation of equipment to Vale Royal Athletics Club (in lieu of charging for sessions)	£120	Approx. 200 children from Reception class up to Year 6 have attended at least one sports club this year. The vast majority of pupils are getting weekly extra-curricular physical education sessions. One Multiflex club targeted less active children and focused on improving their co-ordination and	Clubs are sustainable with current staff in place – Multiflex staff are providing several clubs, while football, netball, dodgeball and lacrosse are being offered by school staff at no cost to parents.

			balance. As a result, their confidence and fitness has increased and several of them have gone on to take part in inter-school sports competitions.	
Key indicator 5: Increased participation in competitive sport				Percentage of total allocation:
				33%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
<p>Provide a wider range of competitions with coaching linked to each sporting event.</p> <p>School teams have /will participate in the following sports this year: Football, tag rugby, basketball, netball, dodgeball, cross-country, sportshall athletics, Y2 multi-skills, tennis, cricket, rounders, orienteering.</p> <p>Within these competitions, the sportiest children have had chance to compete in high level sporting events. Less active and/or less confident pupils have also had several opportunities to take part in competitions, many for the first time.</p>	Supply cover during competitions	£1,000	PE co-ordinator has been able to attend a wide range of events with children.	
	Transport	£1,000	Cost of transport has been kept to a minimum by sharing coaches with local schools, and by using parents for transport when appropriate.	
	Equipment: new sports kit, dodgeball set, lacrosse set, footballs, netballs and bibs, football goals	£1,100	Children have had access to good quality equipment at clubs and been able to prepare properly for competitions.	
	Membership of VRSSP (organisers of most local sports competitions)	£3,300
