

Notes for Parents

Please can you ensure that your child always has a coat with them as whatever the weather we will go outside to play. Depending on the weather please also make sure they have a hat, scarf and gloves or sun hat. Suntan lotion should be applied prior to arriving at Butterflies.

Please can you provide a spare change of clothes in their bag in case of an accident, getting wet or dirty.

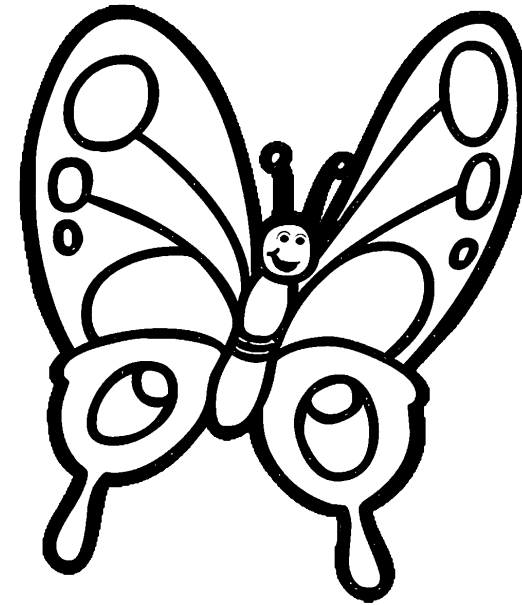

We would like each child to keep a pair of their own wellies (with their name in) in Nursery. There will be an area for them to be stored.

If you could ensure all of your child's belongings are named, it will make it easier to return items home at the end of each day.

Should your child need any medication whilst at Nursery, you will need to complete a medication form at School reception to state what, when and how much to be administered.

We hope your child will be happy at Nursery. If you have any concerns please put a note in your child's home school diary or contact a member of staff who will be happy to talk to you.

WELCOME TO BUTTERFLIES NURSERY

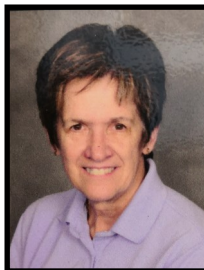

Welcome to Butterflies Nursery

**We are the members of staff you will meet
when you start with Butterflies.**

Mrs Wood

Mrs Macmillan

Mrs Dolan

We are looking forward to meeting you.

This is a typical day at Butterflies:

**Come in, find your named peg and hang up your
coat and bag**

Go to the toilet & wash your hands

**Find your name, copy it down then place on the
name wall**

**Carpet time with your teacher doing number
work or literacy**

**Child initiated play - (small world, construction,
water play, sand play, mud kitchen, reading, role
play, painting)**

Snack time

Child initiated play

**Go home or stay for Lunch Club and the
afternoon session**
