Does your child enjoy Maths?

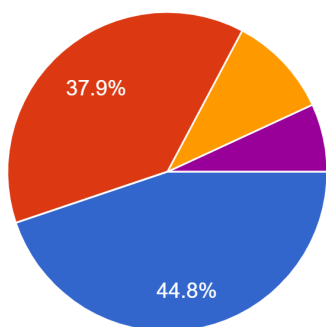

29 responses

- Yes, a lot
- Yes
- Not really
- Not at all

My child enjoys grappling with a tricky problem in Maths.

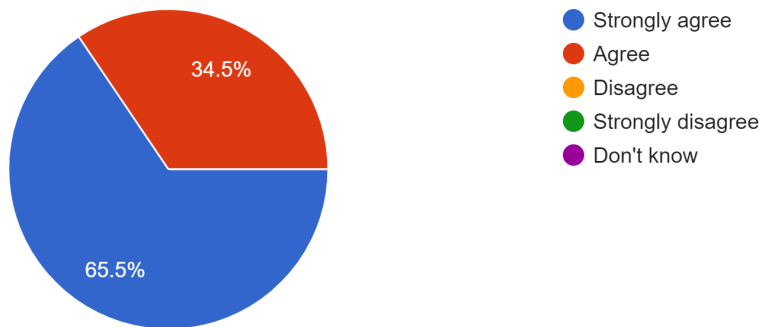

29 responses

- Strongly agree
- Agree
- Disagree
- Strongly disagree
- Don't know

I am pleased with my child's progress with fluency in number. (Awareness of number, number bonds, recall of multiplication tables and related ...ivities such as Numbots, Times Tables Rockstars etc)

29 responses

My child enjoys active learning in Maths lessons.
